Ed Prestley, Interim Deputy Director

MEMORANDUM

DATE: July 28, 2023

TO: Project Files, Applicant of CCL 692 and Appellant of P-23-10 (Item 3)

FROM: Drew Plebani, Cannabis Division Director

RE: Rescind Approval for CCL 692

Rescission of Approval for CCL-692: The Director has rescinded the approval of the license and the associated Appendix C document.

Appeal Moot P-23-10:

Given that the approval for both the license and Appendix C document have been rescinded, Appeal P-23-10 is now moot and not available for consideration at a public hearing at this time. In the event of future project and license approval, the Appellant will be notified through the Cannabis Division's noticing processes and would then have the opportunity to pursue any appeal it believes is required under TCC § 17.34.110 (Appeals).
