

Argument in Favor of Measure G

YES on G REDUCES OUR TAXES and keeps our ER/Trauma Center open. **Vote YES on G for lower taxes and local emergency room care.**

It's simple: without **YES on G**, Trinity Hospital's **24 HOUR EMERGENCY ROOM AND TRAUMA CENTER COULD CLOSE.**

YES on G is critical to saving lives. **Seconds count** in life-threatening emergencies such as a heart attack, logging, or car accident. The next-closest hospital in Redding is 60 to 90 minutes away-- risking the life of local patients who need it most.

Trinity Hospital has **saved 142 local lives in the last three years!** **YES on G** will continue to **save lives** by keeping Trinity County's ER/Trauma Center open.

YES on G keeps our life-saving emergency care available when our loved ones need it.

YES on G maintains 24-hour emergency care at Trinity Hospital, with a doctor on duty at all times.

YES on G keeps our local clinics in Hayfork and Weaverville open. Our local clinics help over 14,000 patients a year -- keeping care local so that children, seniors, and families don't have to travel all the way to Redding for these services when sick.

YES on G is FISCALLY RESPONSIBLE and includes **FISCAL SAFEGUARDS**. **Measure G** requires annual independent audits, and public reports back to the community while maintaining Trinity Hospital's longterm financial stability.

"I'm one of the people whose life was saved. After a house fire, the paramedics rushed me to Trinity Hospital ER with severe burns and I was unable to swallow due to vocal cord burns. I'm alive today because of the quick thinking and quick hands of Trinity Hospital's doctors." *Former County Supervisor Ralph Modine, Burn Victim Survivor*
