### Flood Insurance Rate Map and Flood Zone Information

As a public service, the County of Trinity provides the following information upon request:

- Whether a property is in or out of the Special Flood Hazard Area (SFHA) as shown on the current Flood Insurance Rate Map (FIRM) of the County.
- Additional flood insurance data for a site, such as the FIRM zone and the base flood elevation or depth, if shown on the FIRM.
- Any recent additions to a flood map from subdivisions, flood insurance restudies, map revisions, LOMAs or LOMRs.
- Copies of Flood Elevation Certificates that have been submitted for Building Permits, if applicable.
- Handouts on the flood insurance purchase requirement that can help people who need a mortgage or loan for a property in the SFHA.
- Depiction on an aerial photo that can aid in demonstrating how much of a property is affected by the floodplain.

Periodically, the County of Trinity updates the Flood Insurance Rate Maps as needed when revisions are made to the maps, in cooperation with FEMA.

If you like to make an inquiry, please provide us with the Assessor's Parcel Number (APN), street address and owner. We are open from 8:00 a.m. to 12:00 p.m., Monday through Friday. Call the Planning Department at (530) 623-1351, email us at [info.planning@trinitycounty.org](mailto:info.planning@trinitycounty.org), or drop by the office at 61 Airport Road in Weaverville. There is no charge for this service.
