- F. No funds of any nature are allocated or encumbered in this MFTA unless included in an adopted and approved OWP by means of an approved and fully executed annual OWPA. Costs incurred prior to OWP approval are not eligible for reimbursement.
- G. RTPA agrees to satisfactorily complete all work element tasks, projects, and products as described in each approved annual OWP financed with State or Federal funds and encumbered by STATE via the annual OWPA.
- H. RTPA will identify in the OWP all work that is to be completed through a third party contract and funded, in whole or in part, under the terms and conditions of this agreement.
- I. STATE agrees to pass through available funds and to reimburse allowable costs incurred in executing the tasks, projects, and products incorporated in the annually approved OWP funded from State and Federal sources and encumbered by STATE.
- J. Only work performed during the term of, and consistent with, the work elements in the OWP may be reimbursed. Reimbursements are based upon the fiscal year, July 1 to June 30. All work performed subsequent to the end of each fiscal year (June 30) is subject to the approved OWP and annual OWPA for that corresponding fiscal year and reimbursed from the corresponding fiscal year budgeted funds.
- K. RTPA may incur costs against its approved annual OWP and may submit requests for reimbursement with the understanding that STATE is unable to approve any payments for reimbursement until such time as the funds are included in that Fiscal Year's Annual State Budget which is passed by the Legislature and is signed by the Governor.
- L. RTPA shall use non-federal funds to finance the local share of eligible costs to ensure compliance with all applicable matching requirements for federal funds described in this MFTA and actually encumbered against the annual OWPA. Credit for local match will be allowed only for work performed during the approved term of each annual OWPA. Third-party "in-kind" contributions are allowed as local match according to the provisions of 23 CFR 420.119 and 49 CFR 18.24.
- M. RTPA further agrees to ensure that amendments to a previously approved OWP and annual OWPA are adopted by the RTPA Board and approved by STATE, prior to initiating any work identified in those amendments. Changes requiring amendments generally include adding, deleting, or revising a work element; adding funds to, deleting funds from a work element; or revising a scope of work. If a work element or project will not be completed as approved, RTPA will report this in its Quarterly Progress Report and amend the OWP/annual OWPA accordingly. OWP and annual OWPA amendments must be submitted to STATE and be fully executed no later than May 1 each year. Through administrative amendment, RTPA will notify STATE of administrative OWP changes which do not affect overall funding, scope of work, or project schedule, although such changes shall not require STATE approval.
- N. RTPA acknowledges and agrees that RTPA is the sole control and manager of the work proposed in the OWP and is solely responsible for complying with the funding and use restrictions established by State and Federal law and this MFTA.

- O. RTPA shall be free to copyright the material developed under work items identified in the OWP, provided that STATE and FHWA/FTA, as applicable, reserve a royalty-free, nonexclusive and irrevocable license to reproduce, publish or otherwise use, and authorize others to use, that work for government purposes.

Section 2. Quarterly Progress Reports

- A. RTPA agrees to submit to STATE, no later than thirty (30) calendar days after the close of each quarter, Quarterly Progress Reports that include all work elements for transportation planning tasks, projects, and products, funded wholly or in part by any of the fund sources listed in the "Recitals" section of this MFTA. Quarterly Progress Reports submitted to STATE will identify all projects by work element number and title and shall contain, at a minimum, a budget table and/or short narrative describing the following:
1. Comparison of actual performance with work element-level goals and deliverables;
 2. Progress in adhering to schedules;
 3. Status of expenditures in a format compatible with the work Program, including a comparison of budgeted (approved) amounts and actual costs incurred;
 4. Other pertinent supporting information, such as major products, challenges, etc.
- B. STATE reserves the right to deem incomplete any Quarterly Progress Report that does not sufficiently document the above-required information and may withhold payment of Requests for Reimbursement submitted pending the submission of required documentation.

ARTICLE II - ALLOWABLE COSTS AND REIMBURSEMENT

Section 1. Requests For Reimbursement

- A. Requests for Reimbursement must conform to either subpart 1 or subpart 2 hereinbelow for the entire State fiscal year:
1. RTPA shall prepare and electronically submit to STATE, not more frequently than once a month, but at least quarterly, one signed Request for Reimbursement of actual allowable costs incurred and paid (expended) by RTPA consistent with work elements described in the OWP (conforming to the format provided in APPENDIX B and/or APPENDIX C) and the information required in part B of this section,. The amount billed per each work element is not to exceed the total amount authorized for that work element in the OWP. Each Request for Reimbursement must demonstrate the expenditure of at least the minimum required rate of local funds, if applicable. Reimbursements under this MFTA will be allowed if based upon actual costs expended and supported by RTPA's accounting system. RTPA must not only have incurred the allowable project cost on or after the effective date of the annual OWPA and on or before its termination date, but must also have paid those expenses.
 2. RTPA shall prepare and electronically submit to STATE, not more frequently than once a month, but at least quarterly, one signed Request for Reimbursement of actual allowable costs incurred by RTPA consistent with work elements described in the OWP (conforming to the

format provided in APPENDIX B and/or APPENDIX C) and including the information required in part B of this section. The amount billed per each work element is not to exceed the total amount authorized for that work element in the OWP. Each Request for Reimbursement must demonstrate the expenditure of at least the minimum required rate of local funds, if applicable. Reimbursements under this MFTA will be allowed if based upon actual costs incurred and supported by RTPA's accounting system. Allowable incurred costs that are eligible for reimbursement by STATE are only those that are treated by RTPA's accounting system in accordance with Generally Accepted Accounting Principles as accrued due to such costs having been billed to RTPA and recognized by RTPA as valid, undisputed, due and payable.

By submitting accrued but unpaid costs for reimbursement, RTPA agrees that within ten (10) working days of receipt of STATE's reimbursement, the full amount of all cost items submitted as reimbursable accrued costs shall be paid to each billing entity. Any reimbursed accrued cost not paid within this ten (10) working day grace period shall accrue interest payable to STATE at the then present interest rate established by the State Treasurer's Pooled Money Investment Account. Interest accrued must be timely remitted to STATE. Reimbursed accrued costs not paid to the billing entities by RTPA within forty-five (45) days of RTPA's receipt of STATE's reimbursement will thereafter be deemed unallowable. All unallowable costs must be immediately remitted to STATE.

If RTPA is found, through audit or other means, not to have paid a billing entity its invoiced sums then owed within the (10) working day grace period, RTPA must immediately revert to the reimbursement process described in subpart 1 above.

- B. In order to receive reimbursements, RTPA agrees to furnish with each billing, at a minimum, the information provided for in APPENDIX B2 and/or C2, and information from its accounting system which denotes that reimbursable costs, as well as those used for local match, were either expended or incurred, as applicable.
- C. STATE agrees to make reimbursements to RTPA, in conformance with state and federal regulations, as promptly as STATE fiscal procedures will permit upon the receipt of a signed and electronically submitted Request for Reimbursement (conforming to the format provided in APPENDIX B and/or APPENDIX C) that includes all required information, as applicable, (provided in example APPENDIX B2 and C2) of actual allowable costs incurred for the period of time covered by that Request for Reimbursement. Incomplete or inaccurate requests for reimbursement shall be returned to RTPA unapproved for correction as soon as errors are discovered.
- D. No State and/or Federal funds administered under this MFTA will be dispersed on the advance basis defined in 49 CFR Part 18.21.

Section 2. Travel and Per Diem Reimbursement

- A. Payments to RTPA for travel and subsistence (per diem) expenses of RTPA staff and its contractors and subcontractors claimed for reimbursement using funds administered through this agreement or as

local match credit shall not exceed rates authorized to be paid non-state employees under current State Department of Personnel Administration (DPA) rules unless written verification is supplied that government hotel rates are not commercially available to RTPA, or its contractors, its subcontractors, and/or its subrecipients, at the time and location required as specified in the California Department of Transportation's Travel Guide Exception Process.

Section 3. Final Request for Reimbursement and OWP Closeout Documentation

- A. RTPA shall electronically submit an OWP/annual OWPA closeout documentation package to STATE no later than August 31st of each fiscal year. The closeout package shall conform to the format provided in APPENDIX D.
- B. The closeout package must be attached to a transmittal letter, typed on RTPA's letterhead. If these documents are not received by August 31st of each fiscal year, STATE may withhold future apportionments and/or allocations to RTPA. STATE's election not to withhold future apportionments and/or allocations immediately after the end of one fiscal year shall not limit STATE's ability to initiate subsequent withholdings.
- C. Upon receipt of the required closeout documentation, STATE will issue a reconciliation letter to RTPA stating the amount of funds available to be carried over to the subsequent year's OWP. RTPA may carry over an amount no greater than 25% of the prior year's RPA allocation. RTPA may amend some or all of these funds into the OWPA only upon signature of the reconciliation letter by the RTPA executive director or his or her appointee and submittal of the signed letter to STATE. Any RPA funds that are identified in the reconciliation letter, but not programmed before the end of the fiscal year in which the letter is issued, will be forfeited.

Section 4. Funding Contingencies

- A. All obligations of STATE under the terms of the MFTA and each annual OWPA are subject to the availability of Federal and State funds, appropriation of resources by the Legislature, and the annual passage of the State Budget Act. The authorization and obligation of these funds by outside entities may be terminated, limited or otherwise adversely affected by factors which may include, but are not limited to, changes in State or Federal law regarding the encumbrance and reimbursement of the funds provided by each annual OWPA and this MFTA.

ARTICLE III - AUDITS AND REPORTS

Section 1. Cost Principles

- A. RTPA agrees to comply with Title 2, CFR, part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, and 49 CFR, Part 18, Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments, as applicable.

- B. RTPA agrees, and will require that its contractors, subcontractors, and subrecipients be obligated to agree, that (a) the Contract Cost Principles and Procedures, 48 CFR, Federal Acquisition Regulations System, Chapter 1, Part 31, et seq., shall be used to determine the allowability of individual project cost items (subrecipients shall refer to, 2 CFR, Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards); and (b) all parties shall comply with Federal administrative procedures in accordance with 49 CFR, Part 18, Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments. Every sub-recipient receiving Project funds as a contractor, subcontractor, or sub-grantee under this FTA shall comply with Federal administrative procedures in accordance with 49 CFR, Part 18, Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments.
- C. RTPA agrees and shall require that all of its agreements with contractors, subcontractors, and subrecipients contain provisions requiring adherence to this section in its entirety.

Section 2. Indirect Cost Agreement and Cost Allocation Plan (ICAP)

- A. Prior to RTPA seeking reimbursement of indirect costs, RTPA must prepare and submit annually to STATE for review and acceptance an indirect cost rate proposal and a central service costs allocation plan (if any) in accordance with 2 CFR, Part 200 Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards or applicable cost principles and Local Program Procedures Manual (Chapter 5).
- B. Prior to RTPA seeking reimbursement of subrecipient indirect costs, and when subrecipient cognizant federal agency, as defined in Appendix A to 2 CFR part 200, is USDOT and/or STATE, RTPA agrees and will require subrecipient to comply with section 2A.
- C. Prior to RTPA seeking reimbursement of subrecipient indirect costs, and when Subrecipient ICAP is approved by a cognizant federal agency other than USDOT, RTPA agrees and will require subrecipient to submit to STATE a copy of the cognizant agency approval, the approved proposal, plan, subsidiary worksheets, and other relevant data on an annual basis as evidence of the approval.
- D. If a submitted ICAP does not meet the requirements of 2 CFR Part 200, and is determined to be insufficient, STATE will advise RTPA of additional documentation or changes needed to meet Federal and State requirements. RTPA agrees to provide requested documentation or required changes, and if RTPA is non-compliant the submissions may be returned to RTPA if requested documentation is not provided or required changes are not made.
- E. Material audit adjustments will require reimbursement to STATE or adjustment of subsequent years' ICAP if proposals are later found to have included costs that are unallowable as specified by law or regulation, or the terms and conditions of this MFTA.
- F. RTPA agrees and shall require that all of its agreements with subrecipients contain provisions requiring adherence to this section in its entirety.

Section 3. Record Retention/Audits

- A. RTPA shall maintain, and shall require its subrecipients, contractors and its subcontractors to maintain all source documents, books and records connected with their performance of OWP work initiated under this MFTA and each applicable annual OWPA for a minimum of three (3) years from the date of final payment to RTPA or, if an audit is initiated within that timeframe, until audit resolution is achieved for each annual OWPA, whichever is later, and shall make all such supporting information available for inspection and audit by representatives of STATE, the Bureau of State Audits, or the Federal Government upon request. Copies will be made and furnished by RTPA upon request at no cost to STATE. Scanned original documents in electronic form are suitable to meet this requirement.
- B. RTPA shall establish and maintain, and shall require that its subrecipients, contractors and subcontractors shall establish and maintain, an accounting system conforming to Generally Accepted Accounting Principles (GAAP) to support Requests for Reimbursement which segregate and accumulate the costs of work elements by line item (i.e. direct labor, other direct costs, subrecipients/subcontractor, etc) and enable the determination of expenditures at interim points of completion, and provide support for reimbursement payment vouchers or invoices.
- C. For the purpose of determining compliance with Title 2, California Government Code, Chapter 6.5, Article 2, Section 8546.7, in connection with the performance of RTPA contracts and/or agreements with third parties, RTPA, RTPA's sub-recipients, contractors, and subcontractors, shall each maintain and make available for inspection all books, documents, papers, accounting records, and other evidence pertaining to the performance of such contracts and/or agreements, including, but not limited to, the costs of administering those various contracts and/or agreements. All of the above referenced parties shall make such contracts and/or agreements available at their respective offices at all reasonable times during the entire period of each annual OWPA and for three (3) years from the date of final payment to RTPA or, if an audit is initiated within that timeframe, until audit resolution is achieved for each annual OWPA, whichever is later. STATE, the California State Auditor, or any duly authorized representative of STATE or the United States Department of Transportation, shall each have access to any books, records, and documents that are pertinent to the fulfillment of the contracts/and/or agreements for audits, examinations, excerpts, and transactions, and RTPA shall furnish copies thereof if requested.
- D. Where applicable, RTPA agrees to comply with audit requirements for third party contractors, subcontractor and subrecipients in accordance with STATE Local Assistance Procedure Manual, Ch. 10 or any successor thereto.
- E. RTPA agrees to include all costs associated with this MFTA, OWP and annual OWPA, and any amendments thereto; to be examined in the annual audit and in the schedule of activities to be examined under RTPA's single audit prepared in compliance with Office of Management and Budget Circular A-133. RTPA is responsible for assuring that the Single Auditor has reviewed the requirements of this MFTA, the OWP and the annual OWPA. Copies of said audits shall be submitted to STATE.

- F. When conducting an audit of the costs and match credits claimed under the provisions of each annual OWPA and this MFTA, STATE will rely to the maximum extent possible on any prior audit of RTPA pursuant to the provisions of State and Federal law. In the absence of such an audit, work of other auditors will be relied upon to the extent that work is acceptable to STATE when planning and conducting additional audits.
- G. RTPA agrees to furnish documentation to STATE supporting this requirement that all of its agreements with contractors, subcontractors, and subrecipients do contain applicable provisions requiring adherence to this section in its entirety.
- H. Neither the pendency of a dispute nor its consideration by STATE will excuse RTPA from full and timely performance in accordance with the terms of this MFTA, the OWP, and the annual OWPA.

Section 5. Parties of Agreement

- A. This MFTA, the OWP, the annual OWPA and any related agreements are solely between the named parties thereto and no express or implied benefit to entities or individuals not a party thereto is intended or to be inferred. There are no third-party beneficiaries to or of this MFTA or any OWP, or annual OWPA or any other agreement pertaining hereto.

Section 6. Hold Harmless and Indemnification Clause

- A. Neither STATE nor any officer or employee thereof is responsible for any injury, damage or liability occurring or arising by reason of anything done or omitted to be done by RTPA under or in connection with any work, authority or jurisdiction delegated to RTPA under this MFTA and/or each annual OWPA. It is understood and agreed that, pursuant to Government Code section 895.4, RTPA shall fully defend, indemnify and save harmless STATE and its officers and employees from all claims, suits or actions of every name, kind and description occurring by reason of anything done or omitted to be done by RTPA under or in connection with any work, authority or jurisdiction delegated to RTPA under this MFTA and each annual OWPA.

- B. Neither RTPA nor any officer or employee thereof is responsible for any injury, damage or liability occurring or arising by reason of anything done or omitted to be done by STATE under or in connection with any work, authority or jurisdiction delegated to STATE under this MFTA. It is understood and agreed that, pursuant to Government Code section 895.4, STATE shall fully defend, indemnify and save harmless RTPA, its officers and employees from all claims, suits, or actions of every name, kind and description occurring by reason of anything done or omitted to be done by STATE under or in connection with any work, authority or jurisdiction delegated to STATE under this MFTA.

Section 7. Default

- A. In the event that RTPA (a) fails to comply with applicable Federal and State laws and regulations; (b) fails to timely proceed with OWP, in accordance with the MFTA or OWPA; or (c) otherwise materially violates the terms and conditions of this MFTA and/or OWPA, STATE reserves the right to terminate all funding for that OWP, or a portion thereof. Any such termination shall be accomplished by delivery to RTPA of a Notice of Termination, which notice shall become effective not less than thirty (30) days after receipt, specifying the reason for the termination, the extent to which funding of work under this MFTA is terminated and the date upon which such termination becomes effective. During the period before the termination date becomes effective, RTPA and STATE shall meet to try to resolve any dispute. No such termination shall become effective if, (a) during the process described in Article V, Section 3, the termination is stayed, (b) within the thirty (30) day period after receipt of the Notice of Termination, RTPA either cures the default, or (c) if that default is not reasonably susceptible to cure within said thirty (30) day period, STATE approves a RTPA plan and RTPA thereafter diligently completes the cure in a manner and timeline acceptable to STATE.

- B. If STATE terminates funding for OWP pursuant to the above paragraph A, STATE shall pay RTPA the sum due RTPA under the OWPA for eligible work performed prior to termination.

Section 8. Termination

- A. This MFTA shall remain in full force and effect until the termination date stated on Page 1 of this MFTA, unless superseded or terminated in conformance with Section 7 of this Article.
