STATE CLEARINGHOUSE

Subject: Negative Declaration for the Trinity County 2014-2019 Housing Element Update, State Clearinghouse Number 2016032045

Dear Mr. Anderson:

The California Department of Fish and Wildlife (Department) has reviewed the above-referenced Initial Study and Negative Declaration for the update of the Trinity County 2014-2019 Housing Element (Project). The Department's review of this Project is pursuant to our role as the State's trustee for fish and wildlife resources under the California Environmental Quality Act (CEQA), California Public Resources Codes § 21000 *et seq.* Based on the information provided and Department review, we have no comments at this time. We understand that the Project does not approve housing or development projects as part of the update, and that future developments will undergo separate environmental review to comply with CEQA.

We appreciate the opportunity to review this Project. If you have any questions, please contact me at (530) 225-2138, or by email at Kristin.Hubbard@wildlife.ca.gov.

Sincerely,

Kristin Hubbard
