TO: All County Employees

FROM: Shelly Nelson, HR Director/Risk Manager 

SUBJECT: Suspended Face Covering Exemption Procedure per the Public Health Order

DATE: August 27, 2021

The County's Face Covering Exemption Procedure (dated June 21, 2021 located within the county COVID-19 Prevention Addendum) shall be suspended due to the existing Public Health order dated August 26, 2021 and effective 12:00 am on August 28, 2021. This suspension will remain in effect until the Health Order is rescinded, superseded or amended in writing.

We are to obey the Public Health directives (attached) and Trinity County will be following these guidelines.

Departments will make face masks available for each employee.

Employees may bring and wear their own face coverings.

A guide to face masks is available at:

<https://www.cdc.gov/coronavirus/2019-ncov/prevent-getting-sick/about-face-coverings.html>

If you are exempt from wearing face covering for medical reasons, this should be addressed with your direct supervisor and handled as a request for modification.

Note: The COVID-19 Employee Daily Screening form must be continued by BOTH vaccinated and non-vaccinated employees.
