

Summer Reading Log

The form consists of 15 rows of stars. The stars are arranged in horizontal lines and are colored in a repeating rainbow pattern: blue, red, green, purple, cyan, orange, blue, red, green, purple, cyan, orange, blue, red. The first two rows are partially filled with blue stars, and the last row is partially filled with red stars.

Color in 1 star for every 30 minutes of reading. Every 10 stars is one ticket in the prize drawing. Logs must be turned in no later than August 9 for the August 11 drawing.
