ACKNOWLEDGMENT OF MAINTAINING EXISTING SITE CONDITIONS

Application: _____ APN: _____

As the Property Owner, I hereby acknowledge that until final approval of the above application by the County of Trinity, no work such as grading, site development, infrastructure placement, tree removal, construction, trenching, operations or activities requested in this application will be allowed.

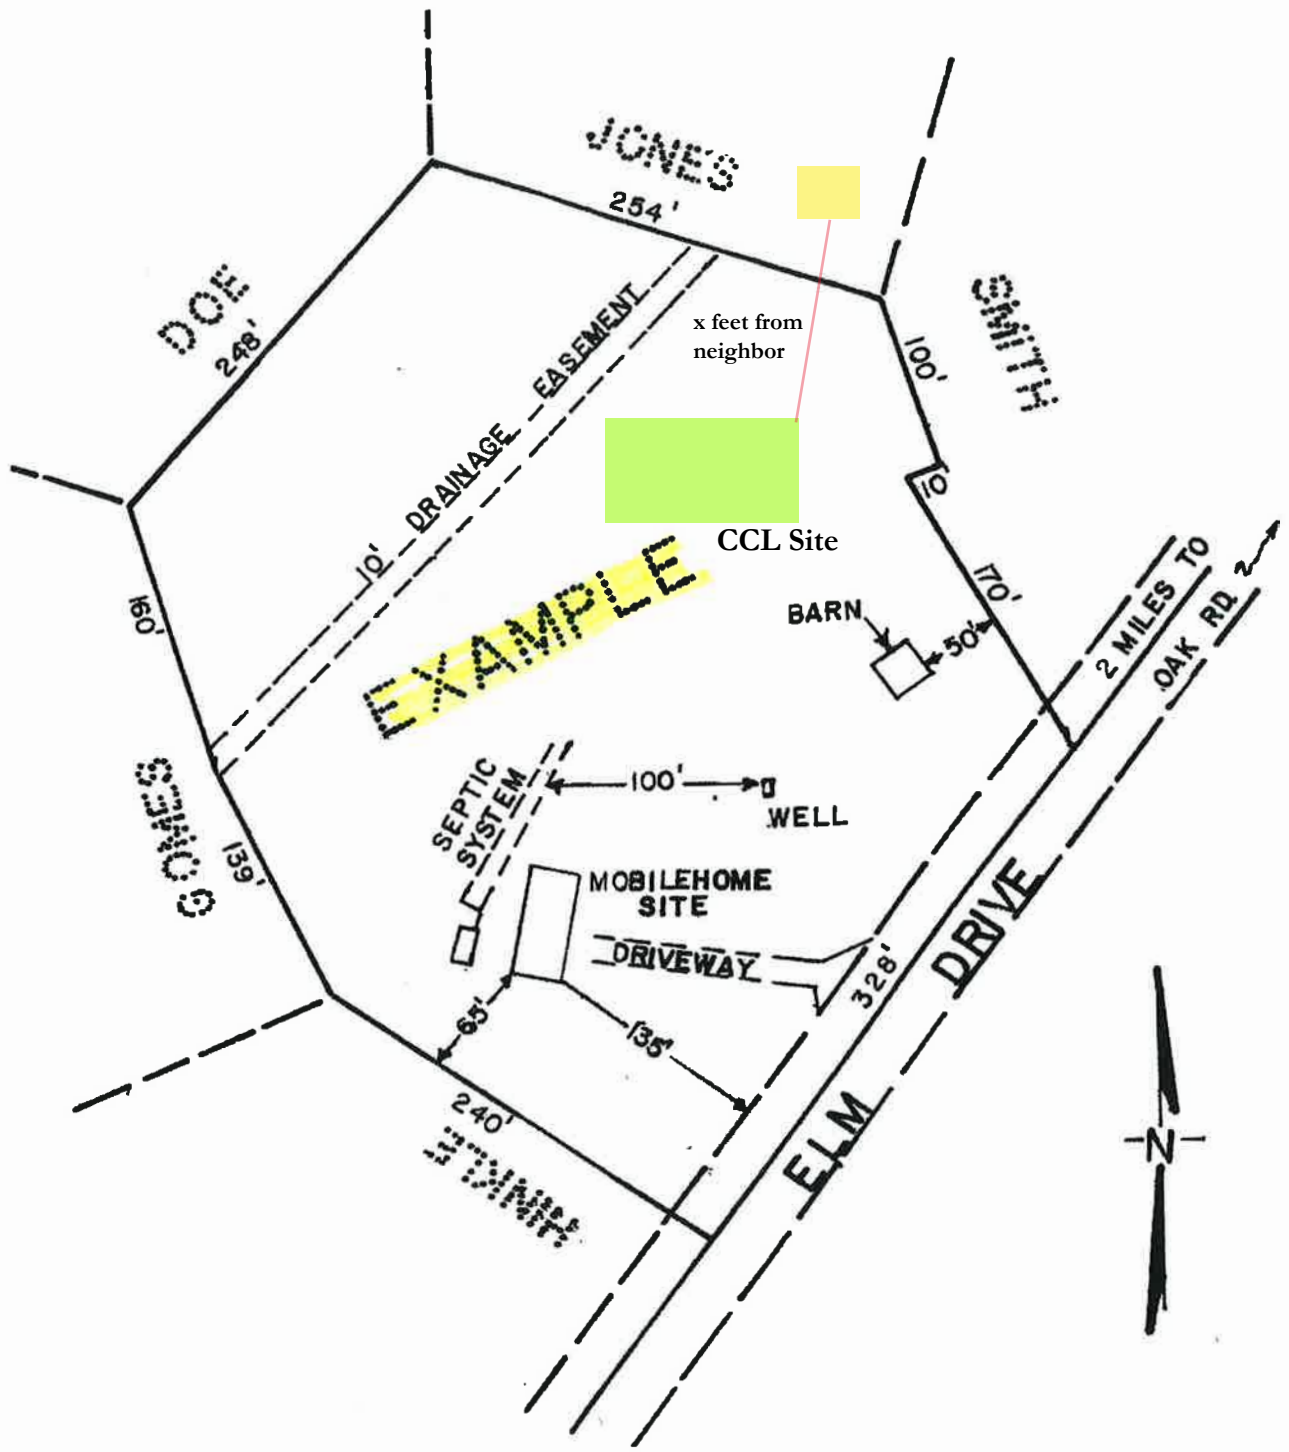

I understand that if the project site is altered prior to project approval, the review of the project by the County will be more difficult and potentially expensive and that additional mitigation measures and/or conditions of approval may be imposed. Further, unauthorized work may cause enforcement by other agencies and/or the denial of the application.

I have also instructed my agent and/or the project applicant of the importance of maintaining existing site conditions.

Exception to the above may be approved by the Planning Department upon a written request.

Authorization to Enter Private Property

The Trinity County Planning Department as the lead agency performs the environmental evaluation for the California Environmental Quality Act (CEQA). Other State and local agencies also provide responsible and trustee roles under CEQA. The comments received from these agencies assist the Planning Department in preparing the environmental document for your project. In order for the Department to perform the evaluation on your proposed project we will need your permission to allow entry to your property for **Planning and any reviewing agency** that may need to actually view the property before providing comments.

By signing this authorization to enter your property you are granting the reviewing agencies access to your property for the purpose of evaluating your proposed project. The authorization is valid from the date the Department receives notice of your proposed project and any monitoring periods thereafter.
