

**ORDINANCE NO. 315-824 AN ORDINANCE OF THE BOARD OF SUPERVISORS
OF THE COUNTY OF TRINITY
AMENDING ZONING ORDINANCE NO. 315 CREATING SECTION 43.6
CANNABIS TESTING FACILITIES REGULATIONS**

The Board of Supervisors of the County of Trinity, State of California, hereby finds and declares as follows:

Section 1: Findings and Declarations:

- (1) WHEREAS, the voters of the State of California approved Proposition 215 (codified as Health and Safety Code section 11362.5 and entitled “The Compassionate Use Act of 1996”). The intent of Proposition 215 was to ensure that seriously ill Californians have the right to obtain and use marijuana for medical purposes where that medical use is deemed appropriate and has been recommended by a physician, and to ensure that patients and their primary caregivers who obtain and use marijuana for medical purposes upon the recommendation of a physician are not thereby subject to criminal prosecution or sanction.
- (2) WHEREAS, the State enacted SB 420 in 2004, known as the Medical Marijuana Program Act (codified as Health and Safety Code section 11362.7 et seq.), to clarify the scope of The Compassionate Use Act of 1996, facilitate the prompt identification of qualified patients and primary caregivers, avoid unnecessary arrest and prosecution of these individuals, provide needed guidance to law enforcement officers, promote uniform and consistent application of the Act, and enhance the access of patients and caregivers to medical marijuana through collective, cooperative cultivation projects and to allow local governing bodies to adopt and enforce rules and regulations consistent with SB 420.
- (3) WHEREAS, on September 11, 2015, the State enacted the Medical Cannabis Regulation and Safety Act (MMRSA), which took effect January 1, 2016, and which mandated a comprehensive state licensure and regulatory framework for cultivation, manufacturing, distribution, transportation, testing, and dispensing of medical Cannabis on a commercial basis, but implementing regulations have yet to be written and state licenses will not be available until 2018. MMRSA was amended by SB 837.
- (4) WHEREAS, on June 27, 2017, the State adopted SB 94, the Medicinal and Adult-Use Cannabis Regulation and Safety Act (MAUCRSA), which established a comprehensive system to control and regulate the cultivation, distribution, transport, storage, manufacturing, processing, and sale of both of the following: (1) Medicinal cannabis and medicinal cannabis products for patients with valid physician’s recommendations; and (2) Adult-use cannabis and adult-use cannabis products for adults 21 years of age and over.
- (5) WHEREAS, previous landmark Cannabis legislation, including the Compassionate Use Act and the Medical Cannabis Program Act, have precipitated a “green rush” with individuals moving to Trinity County to grow Cannabis; with some seeking to capitalize on ambiguities in the law, while others lack an awareness of community and environmental consciousness.
- (6) WHEREAS, due to the passage of the Medical Cannabis Regulation and Safety Act (MMRSA), and the Adult Use of Cannabis Act (AUMA) and SB 94 (Medicinal and Adult-Use Cannabis Regulation and Safety Act (MAUCRSA)) in California, there is a concern that if left unregulated, there will be a substantial increase of Cannabis activity in the County.
- (7) WHEREAS, since the adoption of MMRSA numerous sources, including law enforcement, elected officials, county administrators, neighbors and Cannabis cultivators have reported numerous inquiries from individuals and entities, both from within and without Trinity County, who seek to expand their current cultivation operations, or start new ones.

- (8) WHEREAS, the County finds that in the absence of a formal regulatory framework the negative impacts frequently associated with marijuana cultivation are expected to increase, resulting in an unregulated, unstudied and potentially significant negative impact on the environment and upon the public peace, health and safety.
- (9) WHEREAS, it is the purpose and intent of this Chapter to protect the health, safety, and general welfare of the residents and businesses within Trinity County and comply with state law and federal guidelines.
- (10) WHEREAS, it is the intent of the County of Trinity to have a strong and effective regulatory and enforcement system with regard to Cannabis that addresses threats to public safety, health and other law enforcement interests through robust controls and procedures that are effective in practice.
- (11) WHEREAS, this ordinance provides regulations for the local licensing of Cannabis testing facilities in specified locations and under specified conditions in the County.
