## **Not Eligible for Vaccination at TCPHB Mass Vax PODS**

For safety reasons we will not be vaccinating persons that have any of the following at our COVID-19 Mass Vax PODS:

- Have a history of allergic reaction to medication, vaccines, food, or any other substance that results in itching, hives, chest tightening, swollen tongue, difficulty breathing, or anxiety.
- Have a bleeding disorder or are on blood thinners; this does not include persons taking daily baby aspirin.
- Pregnant and breastfeeding women.
- Under 18 years of age.

These persons should seek vaccine from their medical provider when it becomes available.

COVID-19 Vaccine cannot be given within 14 days of administration of ANY vaccine. Persons must wait until 14 days have passed since receiving ANY vaccine before COVID-19 vaccine can be administered.
