Trinity County Coronavirus (COVID-19) Health Advisory

TRINITY COUNTY – On May 21, 2021 the California Department of Public Health (CDPH) released “Beyond the Blueprint for Industry and Business Sectors – Effective June 15, 2021” <https://www.cdph.ca.gov/Programs/CID/DCDC/Pages/COVID-19/Beyond-Blueprint-Framework.aspx>

“As Californians get vaccinated, the state is reopening and moving beyond the Blueprint for a Safer Economy. The purple, red, orange and yellow tiers that helped us manage COVID-19 in our counties are on track to end on June 15. While very limited measures will remain, Californians will see life getting back to normal.

As such, all sectors listed in the current Blueprint Activities and Business Tiers Chart may return to usual operations (with limited exceptions for Mega Events) based on the following general public health recommendations:

Restrictions Applying to Indoor & Outdoor Settings	
Vaccine Verification / Negative Testing	Required for Indoor mega events Recommended for Outdoor mega events
Capacity Limitations	No restrictions

TRINITY COUNTY HEALTH AND HUMAN SERVICES

Elizabeth Hamilton, Director
#51 INDUSTRIAL PARK WAY
P.O. BOX 1470, WEAVERVILLE, CALIFORNIA 96093
PHONE (530) 623-1265 (800) 851-5658 FAX (530) 623-8250

Physical Distancing	No restrictions for attendees, customers and guests
Masking	Follow current CDPH Guidance for Face Coverings
Travelers	Follow CDC recommendations and CDPH Travel Advisory

Employers are subject to the current Cal/OSHA COVID-19 Prevention Emergency Temporary Standards (ETS), if applicable to them. <https://www.dir.ca.gov/dosh/coronavirus/ETS.html>

As the state continues to monitor the transmission and effects of COVID-19 and its many variants, CDPH strongly encourages the following general public health recommendations:

- Everyone should get vaccinated when eligible.
- Indoor spaces should be well ventilated (i.e., open all windows and doors to increase natural air flow), following current CDPH and CalOSHA guidance.
<https://www.cdph.ca.gov/Programs/CID/DCDC/Pages/COVID-19/Interim-Guidance-for-Ventilation-Filtration-and-Air-Quality-in-Indoor-Environments.aspx>
- Everyone should sign up for CA Notify as an added layer of protection for themselves and the community to receive alerts when they have been in close contact with someone who tests positive for COVID-19. <https://canotify.ca.gov/>

CDPH will continue to provide updated guidance for youth, healthcare and high-risk congregate settings.”
