Trinity County – As positive cases of coronavirus (COVID-19) continue to spread around the world, residents of Trinity County are increasingly concerned about the virus being brought into the county by infected travelers who own homes here, but do not reside here year-round. In light of this consideration, anyone choosing to reside in their second home within Trinity County shall self-quarantine for a period of no less than 14 days upon arrival. During this quarantine period you could leave the home for essential services such as getting food, purchasing gas, and going to the pharmacy or to a health care provider. All non-residents are being asked to stay out of Trinity County at this time as ordered by the Governor of California. This is an effort to prevent unintentional spread of the coronavirus to residents who would otherwise be at a reduced risk of exposure. As with any pandemic, the primary concern is keeping people safe, but also people need to understand Trinity County has limited resources and our medical system could be quickly overwhelmed should the precautions not be heeded. Your cooperation in this matter is greatly appreciated as we continue to navigate through this pandemic.

By order of the Health Officer of Trinity County

David Herfindahl, MD, Health Officer for Trinity County, is mandating that individuals coming into Trinity County to use a second home shall quarantine in that home for 14 days. If they become ill with a fever, cough, shortness of breath, or flu-like symptoms they should call their medical provider or call Trinity County Public Health for advice. Do not just drive to the hospital or a medical clinic. This mandate takes effect immediately.

David J. Herfindahl
