SECOND AMENDMENT TO ORDER OF THE LOCAL HEALTH OFFICER

On the 22nd day of May 2020, I, DAVID HERFINDAHL, MD, Trinity County Health Officer, pursuant to California Health and Safety Code sections 101040, 120175, and 120175.5, hereby issue the order listed below to become effective immediately.

To preserve public health safety in Trinity County and slow down the rate of transmission of COVID-19, a determination has been made by the Trinity County Health Officer that opening of dine-in restaurants has the potential of facilitating the transmission and spread of the COVID-19 virus unless proper precautions are put in place. Therefore, dine-in restaurants shall be permitted to reopen, and the Health Officer strongly recommends the following restrictions based on the current scientific data available:

- All waitresses/waiters must wear a mask at all times while in service on the dining room floor, and guidelines for wearing a mask must be followed.
- Disposable cups and plates must be used, unless the restaurant has a designated “busser” to remove customer contaminated items from tables. This designated busser must wear gloves.
- The restaurant must submit a floor plan to Environmental Health for approval.
- The restaurant must have submitted a business plan for COVID-19 to Environmental Health and received a new Certificate of Compliance with allowance of dining-in. Signs in the business plan are required to be displayed for customers.
- All employees must be trained on the COVID-19 specific plans, and the importance of hand washing/sanitation.
- Dine-in tables must be placed so that all seated customers from a family unit are a minimum of 20 feet away from other customers.
- Encourage the use of outdoor dining, rather than indoor, when possible.
- Mandate that workers who are sick stay home.
- Must disinfect common areas throughout the facility in a manner and frequency as specified by Environmental Health.
- Provide disposable menus, or disinfect menus between each use.

PHONE (530) 623-1265 (800) 851-5658 FAX (530) 623-8250

- Discontinue pre-setting of tables, do not leave common items on tables, and use single serve when possible. Pre-roll utensils for use by customers.
- No seating at bar.

The Environmental Health Department will issue specific guidelines for restaurants to follow to be in compliant with local orders and State law. Those will be incorporated herein, and to the extent necessary, this Order may be enforced pursuant to Government Code Sections 26602 and 41601 and Health and Safety Code section 101029. Please read this order carefully. Violation of or failure to comply with this Order is a misdemeanor punishable by fine, imprisonment or both. (California Health and Safety Code Section 120295 and California Health and Safety Code 120130).
