Trinity County Coronavirus (COVID-19) Health Advisory

TRINITY COUNTY – This afternoon, August 11, 2020, Trinity County Public Health Branch (TCPHB) received lab confirmation of a symptomatic individual that tested positive for COVID-19.

The TCPHB COVID-19 Surveillance and Control Team (SCT) is currently conducting case investigations to identify exposed individuals. Close contacts and other exposed persons will be quarantined and monitored for symptoms by PHB-SCT.

As a reminder, the need to practice social distancing of at least 6 feet, frequent hand washing and sanitizing of surfaces, as well as wearing a face covering when out in public remains essential in preventing the spread of COVID-19. It is recommended that all Trinity County residents obtain testing through Verily testing sites or other testing resources.
