### Trinity County Health Advisory

TRINITY COUNTY – Trinity County Public Health Branch and SNAP Nurse will be holding our combined flu and COVID-19 Mass Vaccination Clinic at the Fairgrounds in Hayfork on November 4, 2022 from 10:00am – 4:00pm.

It is likely that both seasonal influenza (flu) and COVID-19 viruses will circulate this winter. CDPH recommends that all persons 6 months of age and older get vaccinated against the flu. For more information and resources, visit CDPH's flu webpage:

<https://www.cdph.ca.gov/Programs/CID/DCDC/pages/immunization/influenza.aspx>

CDC recommends high-dose quadrivalent flu vaccine for those 65 years of age and over. High-dose flu vaccine is not available through our Mass Vaccination Clinic, but can be obtained through CVS in Weaverville and pharmacies in Redding and Humboldt or contact your medical provider.

COVID-19 Vaccine will be available for all persons 6 months of age and older.
