Dear Prospective Consultant,

RE: Request for Proposals for Professional Redistricting Consultant Services

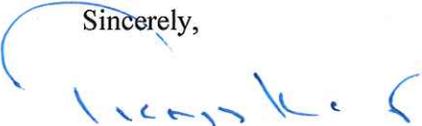

We would like to invite you to submit a proposal to provide redistricting services to Trinity County. With the completion of the 2020 United State Census, we are required to evaluate the population data and revise our district boundaries to ensure compliance with state and federal laws.

We are seeking to hire a firm, individual or consultant to take lead on the entire redistricting process, including but not limited to public outreach, conducting required meetings, presenting draft maps to our local Board of Supervisors, creation, maintenance and potentially hosting of the required website.

Trinity County is a roughly 3,200 square mile area located in northwestern California on State Highway 299 between Redding and Eureka with a population of approximately 13,000. Our county seat is in Weaverville which is approximately a 1-hour drive west of Redding.

If you are qualified to and interested in taking the lead on our redistricting process, please submit a proposal to the attached request no later 4:00 PM on Thursday, May 27, 2021. Proposals shall be submitted to myself in hard copy at 11 Court Street, Room 230, PO Box 1613, Weaverville, CA 96093, and electronically at [rkuhns@trinitycounty.org](mailto:rkuhns@trinitycounty.org).

## **INTRODUCTION**

This Request for Proposals ("RFP") is to seek qualified firms, individuals or consultants for the County of Trinity ("County") to evaluate the County's district boundaries following completion of the 2020 United States Census to ensure the minimum requirements of law, including the Federal and California Civil Rights Acts, are met and assist the County in developing new district and precinct boundaries.

The redistricting consultant will take the lead in assisting the County in the entire redistricting process including providing an open hearing process for public input and deliberation, including public notices, minutes and notes tracking, and an extensive outreach program to solicit broad public participation in the redistricting public review process. The process will include hearings required by law to receive public input before the drawing of any maps and hearings following the drawing and display of any proposed maps. In addition, hearings will be supplemented with other activities as appropriate to further increase opportunities for the public to observe and participate in the review process. The redistricting consultant will be responsible for the development and updating of the required webpage for the redistricting process.

## **BACKGROUND**

One of the original 27 counties in California (est. 1850), Trinity County encompasses an area of roughly 3,200 square miles in northwestern California. It is a land of great scenic beauty, with many rugged peaks, wooded mountains, lakes and rivers. With a population of approximately 13,000 citizens we are one of the more sparsely populated counties in the state.

The county seat is Weaverville and is located on State Highway 299 approximately a 1-hour drive west of Redding, CA. For a rural California town, Weaverville has quite a few amenities, including our historic Joss House Temple and Museum. Bordered on the north by Trinity Lake and the communities of Coffee Creek and Trinity Center, on the south by Ruth Lake and Mad River with the Trinity River making its way west through the County, Trinity is a hidden jewel in Northern California, providing a myriad of recreational opportunities.

## **SCOPE OF WORK**

The County of Trinity seeks qualified firms, individuals or contractors that have expertise in and services for:

- Local jurisdiction electoral redistricting, primarily involving counties;
- The Federal Voting Rights Act;
- The California Voting Rights Act;
- Mapping and balancing electoral districts;
- Explaining complex topics to others who may be unfamiliar in the subject matter;
- Presenting information in a public setting such as public hearings and Board of Supervisor meetings;
- Analyzing statistical, demographic, and census data, to support County staff;

- Assist in outlining and/or drawing district and precinct boundaries.

Tasks and responsibilities of the selected consultant may include:

- Develop a calendar for hearings.
- Help engage the public through websites, live-feed public meetings and hearings, mapping input, development of press releases and presentations, and other opportunities as required.
- Log public outreach documents and maintain records according to legal requirements and best practices.
- Develop draft maps based on census data and County and public input based on the federal Voting Rights Act, California Voting Rights Act and other applicable election laws.
- Evaluate any draft maps prepared by the public to determine whether they are population balanced and satisfy the requirements of the Voting Rights Acts.
- Provide trainings and digital interface in an objective, non-partisan informational manner, and not attempt to persuade the participants in anyway.
- Conduct and/or actively participate in all meetings and public hearings that address the redistricting process. Meetings may be scheduled both virtually and in-person, as permitted by public health officials.
- Upon receipt of the 2020 United States Census data, provide data summary files to the County Board of Supervisors, the County team, and make available to the public, updating any digital interface previously used for demonstration and informational purposes.
- Analyze whether the 2020 Census data requires modifications to the County Supervisorial districts.
- If so, propose new district boundaries to the County team based on public input and prioritized criteria for redistricting and satisfy the requirements of the Voting Rights Acts.
- Make modifications to the draft district boundary maps based on input from the County team and public input.
- Be receptive to feedback and work effectively with the County team and public input.
- Assist the County team as may be required in all facets of developing, adopting and implementing the final district boundary map.
- Other tasks requested by the County team that relate to the redistricting process, such as facilitating requests for additional demographic data or advising on the Voting Rights Acts.

Each insurance policy required above shall provide that coverage and shall not be canceled, except with prior written notice to the County.

- XV. **LICENSING AND PERMITS:** The Contractor shall maintain the appropriate licenses throughout the life of this Contract. Contractor shall also obtain any and all permits which might be required by the work to be performed herein.
- XVI. **BOOKS OF RECORD AND AUDIT PROVISION:** Contractor shall maintain on a current basis, complete books and records relating to this Contract. These documents and records shall be retained for at least ten years from the completion of this Contract (42CFR Sections 433.32, 438.3(h) and (u)). Contractor will permit County to audit all books, accounts or records relating to this contract or all books, accounts or records of any business entities controlled by Contractor who participated in this contract in any way. Any such audit may be conducted on Contractor's premises or, at County's option, Contractor shall provide all books and records within a maximum of 15 calendar days upon receipt of written notice from County.
