### **County Buildings will be Illuminated in support of Veterans during Operation Green Light**

TRINITY COUNTY – In conjunction with the upcoming Veterans Day holiday, county government buildings will be illuminated with green lighting November 7<sup>th</sup> through 13<sup>th</sup>, in support of *Operation Green Light*. This operation is an initiative between Trinity County, the National Association of Counties, and the National Association of County Veteran Service Officers.

*Operation Green Light's* objective is to show support for veterans, raise awareness about the unique challenges many face and bring attention to the county, state and federal resources devoted to helping veterans and their families.

Trinity County residents are encouraged to participate by displaying a green light in or on their houses or places of business.

By shining a green light, we let our veterans know they are seen, appreciated and supported.
